

I have listened to K-LOVE in Yakima for 9 years now and in fact, I don't listen to any other station. I love this station in our local community as it has such a positive outlook and has many encouraging comments that allow us to move through our days.

K-LOVE has been my main-stay through a separation, then divorce and has been my positive input daily. I WON'T listen to any other station because it is such a positive influence in not only my life, but my daughter's also.

Please don't allow this station to be misplaced by LPFM. I need K-LOVE to keep my life going forward and help me look forward to another day. It is the only station that I will listen to.

Please keep K-LOVE on the air.
